Superintendent's Highlights

The district has experienced growth, especially in the elementary. 92 out-of-district students have chosen to be members of our student body. Our district recently applied for and received a grant for renovation in the amount of \$115,500. We look forward to the levels testing next fall, so that we can set individual goals for all students. The Implementation of the Standards and School Improvement Committees are right on target as to what was to be accomplished this year.
